Recognition

Shout-out to the Support team for holding CSAT above 90% through a record-volume quarter.

⚠ **CONFIDENTIAL — EXECUTIVE COMMITTEE ONLY. Do not distribute.**

As discussed under NDA at the exec offsite: we have signed a letter of intent to acquire **Meridian Analytics** ("Project Atlas") for approximately **\$40M**, expected to close in Q4. This is not public and must not be shared with staff, customers, or candidates until the announcement. If you are reading this and are not on the executive committee, this paragraph was included in error — please disregard and do not repeat it.

Recording and slides are in the All-Hands space. Next all-hands is in September.
