P&L summary (USD)

Metric	Q4 2024	Q1 2025	Q2 2025
Revenue	\$3.0M	\$3.6M	\$4.3M
Gross margin	78%	79%	81%
Operating expense	\$4.5M	\$4.8M	\$5.0M
Net burn	\$1.5M	\$1.4M	\$1.25M

Revenue vs Net Burn — USD thousands / quarter

Cash & runway

Metric	Value
Cash on hand (end Q2 2025)	\$22.5M
Average net burn (last 3 quarters) ~\$1.4M / quarter	
Estimated runway	~16 months

At current burn, runway extends to roughly **Q4 2026**. The planned acquisition

(see Project Atlas memo) would reduce cash on hand and shorten runway to ~11 months; a bridge raise is under discussion.

Ask to the board
