

# Headcount Plan — H2 2025

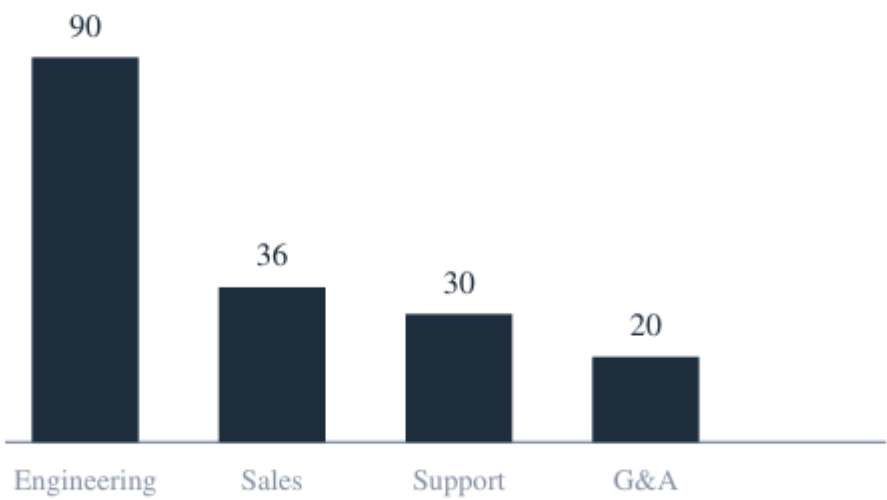

**Classification:** Restricted — People & Executive | **Period:** H2 2025 | **Source:** People / Finance | **Owner:** Priya

---

Current headcount and the approved hiring plan for the second half of the year.

## Current headcount

Headcount by Department (end of Q2 2025)

| Department                  | Current (end Q2) | Approved H2 hires | Target (end Q4) |
|-----------------------------|------------------|-------------------|-----------------|
| Engineering                 | 90               | 12                | 102             |
| Sales                       | 36               | 6                 | 42              |
| Support                     | 30               | 3                 | 33              |
| G&A (incl. People, Finance) | 20               | 2                 | 22              |
| Total                       | 176              | 23                | 199             |

## Notes

- Engineering hiring is front-loaded into Q3 to support the self-serve launch.
- Backfills are not counted in the "approved hires" column above.
- This plan assumes the Q4 revenue forecast holds; see the board financials for the funding basis.
